

The RSPCA is Australia's best known and most trusted animal welfare organisation. Every day the RSPCA cares for injured, stray and abandoned animals. Each year, the RSPCA in Australia receives over 154,000 stray, injured and surrendered animals and investigates more than 47,000 complaints of animal cruelty and neglect.

CopRice are proud to contribute a percentage from the sale of this product to help the RSPCA carry out this vital work. The RSPCA is proud to be associated with a pet product that is natural and designed for free range hens.

To support the RSPCA please visit [rspca.org.au](http://rspca.org.au) or call your local RSPCA on 1300 777 221 (1300 RSPCA1). To find out more about caring for your hens, visit the RSPCA knowledge base at [kb.rspca.org.au](http://kb.rspca.org.au)

AUSTRALIAN MADE

CopRice is a division of Ricegrowers Limited, trading as SunRice. CR489LLDL.

**Natural\***

**Perfect for your backyard hen**

**Nutritionally Balanced**

**No added hormones or Antibiotics**

**High in essential oils**

**No artificial yolk pigments**

CopRice Lucky Layer is a perfectly **balanced** and **complete** pelleted feed providing all of your hen's daily nutritional requirements.

It uses the finest '**natural**' ingredients with added vitamins, minerals, and trace nutrients, including high quality vegetable proteins to supply essential amino acids, great for egg production and size.

CopRice Lucky Layer is a **vegetarian** feed using only cereal and vegetable protein sources to deliver high quality protein to the free range hen.

CopRice Lucky Layer has no added hormones or antibiotics and contains an egg yolk pigmenter, derived from the marigold flower.

**CopRice**  
**Lucky Layer™**  
**Free Range Pellets**

**Feeding Rates**

- Feed without restriction to laying hens from point of lay.
- Free range birds may have lower intakes due to grazing and picking over vegetable scraps and plants.
- Always ensure that hens have access to cool, clean water at all times.
